

Run: 1811
Date: 20-2-23
Hare: Committee (Tin Can Event)
Venue: Under the Jetty

15 brave wannabee TIN MEN [and Non Blokes] arrived at the Jetty location for the highly competitive Annual Tin Man event. Was great to see Clot and Clap back amongst us for the night. Also Simon from K.L. who will be joining our group.

Dunno if it was a wise move but it was decided that each athlete was to keep their own scores. Events were. THONG THROWING..HORSE SHOE THROWING..HOOP THROWING..CAR TYRE PULLING..SWIM BACK FROM JETTY LANDING. Some of the final sores were A BIT DODGY!!! On the spot rewards were.. Sardines on either Wheatbix or Salada Bikkie.. OR Smoked Oyster on Wheatbix or Salada. Hairy expressed her love of wheatbix with great wailing and gnashing of teeth. Lifer and Rear Ender put sterling efforts into the tyre pulling event, completing several rounds. Pharlap threw the thong the longest distance [wind assisted]. Pharlap, Quickie, Handy, Clap and Centrefold got wet and did the swim leg.

We then moved to the Hash Shelter for nosh and the Circle. Lots going on in the Circle, nearly too much to remember. Metro got Shit of the Week .Hairy really loves a bit of bread with her Vegemite 25mm [1 inch] thick. So much for your blood pressure Hairy. Anyway it was all good fun as usual.

Non Bloke, Tin Man was awarded to.....Hairy Butler.
Bloke, Tin Man was awarded to Quickie.
