Run: 1818
Date: 10-04-23
Hare: Cumz n Goes
Venue: Perry Drive

G'day Hashers! Welcome to the hash notes for run number 1818, where 19 Hasher's made their way to 6 Perry Drive, Coffs Harbour for a most excellent run. The meal was a fantastic effort from Cumz n Goes with a little help from Lifer, pumpkin soup for starters, followed by little boys and spring rolls, then the main Tuna bake, chicken and vegetable pasta bake with noodle salad and tossed salad, and for dessert lots and lots of chocolate.

First up, we have the Shit of the week award, which went to Thor, fuck knows why, however, congratulations! Then the moment we all waited for the score of the run, Cumz n Goes was the hare with help from Lifer and for their efforts the run scored an 8 out of 10, however this soon changed with the breakdown of the points. The food was rated 9 out of 10, but unfortunately, coriander was misused, and some of the arrows were not big enough, which brought down the score to 5 out of 10. But let's give some credit where it's due, the one who scored the run was none other than Centrefold!

We toasted the returning runners with a down-down, being Rear Ender, Grey Rooter, Thor, Slippery, Bronco and Just Trisha. Cumz n Goes was charged for using street names but sang a premature "songulation." and received another charge. Darcey was charged for not making hash on time, Rear Ender gave Grey Rooter COVID, and Lifer was charged because she didn't get it. We welcomed back the GM to give order to the circle.

Anal Sunshine was charged for taking notes as Cumz n Goes was taking notes, and for some unknown reason, Cumz n Goes was roped in too, given the charge of being louder than Darcy!

Moving on to the awards, the Shortcutters award went to Thunderbox, and Prick of the week went to Simon, well done!

Now for the personal business, ADD had some PB - their car just turned 200000kms on the way to hash. Quickies birthday was celebrated albeit a day early and special thanks to Quickette for the birthday cupcakes. Simon is securing a new home. Congratulations to all of them!

For general business, there is an invitation run in November, so make sure you book in. The committee meets early May, and we need to think about ideas for the event, so come up with some ideas.

Next weeks run is at Luckless, **23 Sunbird Cres, Boambee East**, details will be on the web. Metro complained of a lack of Easter eggs, but let's face it, it's all about the hash!

Friday lunch - no one cares because they are at work, however it was decided that **Park Beach Bowling Club** would be a good option.

Finally, there was a lot of "fucking" going on, but that's just how we roll! And that was the end of the circle! Thank you all for being here, and see you next time!

On on.... Cumz N Goes 🐾
