

Run: 1834
Date: 31-7-23
Hare: Luckless
Venue: Sunbird Cres

19 Runners - (Loosely mentioned of course): waited patiently for the 6. 00 pm bugle call to run their butts off.

What was thought by the hare to be a run of all runs, failed miserably with the markings and direction. Nevertheless they all arrived back home safely , with tales to tell.

Drinks and Hash Mash served to fill the hungry crowd, followed by the all-important downs.

Downs: Hare with a minus 90 score for the run, the food helped with the original score.

SOW: Slippery showing little respect for the RA

Charges: Luckless/ Rear Ender not knowing left from right.
