

Run: 1842
Date: 25-9-23
Hare: Pharlap
Venue: Blue Squid

19 Happy hashes turned up at Pharlap's fabulous 4K run around the creek. Handy even brought some pre run nibbles to go with Pharlap's dips and chips...

The Pack headed off walking towards Orlando Street, JFI was serious, she brought her walking poles....The Hare tried to keep everyone together so a large all Check was placed at the entrance to the bush. The walk was on chalk and paper, expertly laid by the Hare....👣👣

Walkers started appearing back from all directionsmost walked the whole 4k, others shortcutted.

The nosh for the night was yummy Chicken Con Carne and rice and bread. Credit for the food goes to Lifer and Rearend and a big thank you from Pharlap. Everybody went back for seconds and thirds and there was even leftovers to take home....(sorry Metro)

The circle was called by our RA who gave Pharlap a -1 for the run (can you believe that?)....but wait it gets worse... A big 0 (zero) for the food because I contracted it out. 🤔

SOW went to Dangles..

New and returning runners:...Darcy, Thor and welcome Crushed Nuts from Canberra.

Lifer, Rearend, Grey Rooter and Flaps Up downed for something....😊

The Hare downed for the run.....with Lifer and Rear Ender as the Contracted Cooks.

Metro and Thunderbox for hats in the circle....

AWARDS:

Rear Ender the Wooden Dick award and Pharlap for the Drama Award...
The rest is a blur.....
