

Run: 1844
Date: 9-10-23
Hare: CumzNGoes
Venue: Perry Drive

G'day Harriers!

- Darcy has donned the RA hat.
- We had 19 eager hashers gearing up for a good time.
- Hats off to Cumz n goes and Lifer for setting the run.
- Food was top-notch. Chicken hamburgers, and guess what? They tasted like... chicken! Who'd have thought?
- For the bushwalkers among us who managed to get a bit sidetracked, the run clocked in at 2.7 klms. Aiming for 3 klms, but hey, close enough.
- Pharlap chimed in with a run report. Cheers, mate! It had the works: clear markings, a couple of sneaky hills, and overall quite the ripper.
- Now, the food was so good, it got a score of 10. But some cheeky lost trails bumped it back to 5.
- No prodigal runners this time.
- Anal Sunshine got charged as a returning runner. Bit of a stitch-up, considering he's been loyally hashing for two years straight!
- Simon copped it for his dodgy parking antics.
- Anal Sunshine, mate, control your pooch! Another charge for the barking dog.
- Lifer, always the good sport, charged herself.
- Grey Rooter threw a curveball, charging Rear Ender. Mistook a flat tyre for dodgy brakes, a common mix-up.
- Simon, again? This time, for holding up the circle. Although, rumour has it, BJ was really the culprit, hogging the dunny.
- Metro, for leaving your cutlery behind? Hope it was sparkling when you got it back.

****Awards:****

- Glamorous award? Straight to Bronco for that haircut.
- Lifer got the Mad Cow
- JFI clinched the Drama award.
- Lifer, ever the star, got the biggest dick award and the wooden spoon. Clean sweep!
- Metro, again? A charge for a hat in the circle.

****Next Week's Run:****

- Flaps' place.

****Lunch Plans:****

- The Coffs Hotel. 12:29pm

****General Business:****

- Bronco says the invitation run needs more people Register by the 27th of Oct if you're able to get those giveaways.

And with that, the circle was closed. 'Til next time, hashers!
