

Run: 1848

Date: 6-11-23

Hare: Darcy

Venue: Aubrey Cres

Twenty one brave souls turned up for Darcy and Thor's run in Aubrey Cres. Because of the Inclement weather the Hare took pity on the poor hashers and reset the run to a short, Hilly, dry around the block run with a drink stop at Bronco's with top level Port from Darcy. (Galway Pipe 12 Year Old Grand Tawny) The Hare stated that he is saving the original set run for a later date.

After the drink stop we only ended up with 6 Athletes who did the whole course. Simon took the lead as usual.

After run nibbles was Darcy's famous hot sausage rolls and sauce...yummy.

Then Thor brought out the main course, Pork and apple sauce and lamb with gravy, mixed veggies and Potato bake. Simon corrected us, apparently the correct name is Potato au Gratin, Simon is a real font of knowledge as we all know.

Circle:

Our returning RA called all to be upstanding for the sacred circle.

The RA stated that he had noticed a trend of the run scores creeping up into the plusses then said Thank god Darcy did the run tonight because there was no marks or real run so I am going to score the run minus one Million (-1,000,000) then adding 100,000 onto the score because of the superb food and adding another 1 for the excellent port at the drink stop.

Final Score: -899,999
