

Run: 1850

Date: 20-11-23

Hare: JFI

Venue: Shepards Lane

25 keen hashers attended Shepards Lane full of expectation of what to expect from a run set by Flaps Up for JFI and wondering whether that damn heartbreak hill would be involved. Well it was except they got to go down the hill this time as part of the 4.42km run which saw some hills, streets, and shiggy. Because of the rain earlier in the afternoon the course had been printed out into a mud map which apparently Phar Lap took seriously as he fell over in the mud and made a mess of his map. Most runners arrived back in good time however the search party had just set out to look for FOK as he had not returned with the others when he came strolling down the driveway all alone.

Sausage Rolls, Dip, Cheese and Biscuits were served up for nibbles and followed by Chicken and Salad with potatoes.

The RA Called the circle and quickly gave Grey Rooter a down for wearing a hat in the circle.

SOW- Pharlapp received this award for trying to get Flaps up nominated.

RUN SCORE – The run received a generous score of +3.

RETURNING RUNNERS - Aloh Aloh, BJ and Quickette

CHARGES –

Darcy to JFI for making sausage rolls which he is famous for and sucking up to the RA with chicken rolls – the down was reversed by the RA.
