

Run: 1859

Date: 22-1-24

Hare: JFI

Venue: Shepards lane

22 Runners fronted Shepards Lane looking forward to a dry run after last weeks deluge. They were not disappointed. The RA declared the run "gold Star" and the best run he has witnessed since joining the club as there was off road and some shiggy included for everyone's enjoyment and along with good food the score of 9.5 was awarded. This score remained as Flaps Up learned to keep his mouth shut. Well done Flaps for a great run.
