

Run: 1862
Date: 12-2-24
Hare: Darcy
Venue: Aubrey Cres.

20 runners Hasher's turned up for an experience of a lifetime to participate in the event of the year, and it did not disappoint!

Popcorn and chips were shared, followed by Darcy's famous sausage rolls, but were they? Darcy introduced a new flavour, and included a new chicken sausage roll, but where was Centerfold? No complaints were given about the new versions, YUMMY! Then "The Chef Thor" came out with sausages, bread rolls, with all the toppings that you would ever need to make the best Sausage on roll ever! No hasher left hungry.

Dame Edna made a quick exit before the circle was called!

Darcy was so quiet that no one came when circle was called!

Phar lap gave a run report stated it was such an excellent run, lots of shiggy and even had time for golf!, Superbly marked, 6/10 + 2 for food!

RA Darcy stepped in decided cause the food was soooo damm good it was worthy of 10/10! Perfect.

Visitors: Little Dog, peppers, Danish Tart

Returnees: Hairy Butler, Thunder Box

SOW: went to The FOK - for saying Darcy was noisy on the run- don't mess with the RA

Chargers: sitters - false charge! Allowed to sit by RA

Hairy-whilst on run , too much shiggy, refused to walk thru it and quoted Cartman from South Park oh Yuck, "Screw you guys, I'm going home!"

Phar lap from Little Dog stating on Facebook, that he could park his caravan out the front of Darcy's, however the Cops thought differently.

Slippery from Pepper for being the only one to answer "where is the run".

Pepper from Little Dog cause she wouldn't let Little dog stop at Broncos for a
"It's after 5 o'clock somewhere " at 12:00 after he was told by police to move
on!

Little Dog from Darcy as he watched the News last night, saw people
squashing grapes in a barrel! Then he sees little Dog for trying to be a movies
star!
