"Trust me" is the aura permeated by Pretty Boy Pinballs when suggesting a short run is the order of the night, but little did we know that another entertaining surprise awaited us, together with Mother Nature unleashing her best impression of a Fijian Monsoon nine parts through the run. Pinnies had us head up Beryl St, down Murray Dr thru the Netball courts exiting into west High St for our second Dac Dak type All-Check. Here a false trail lost the faster runners for a while, including Jimmy Kalahari, while the rest of a larger than normal size pack headed towards the Hwy & on-over into Coffs St. We found another Check just past the Pool, & yet again the lead runners were sucked into another "Trust me" On-Back. The pack headed east again via High St & eventually turned into North St so we could say hello to GT Gary

Thomas before paying our respects to the Old Cemetery, then following the Coffs creek boardwalk trail back to the Showground where Pinballs had arranged for the super huge US stunt trucks to give us a powerful display. After that Show we headed towards Melittas Ave when the aforementioned Monsoon type rain just fell by the bucketload upon us. The new Christmas BBQ awaited our arrival with Clayton burgers, sweetened by Northside's usual contribution of pastry delicacies. A good night & a fun run. City to Surf training has started!
