Hash History!!!

Only Alky could do it.... The shortest run in CH4's History...With all her years of Hashing one would presume that our On-Sec would recognise the correct Hash protocol, of 1. The Run 2. Hash Circle 3. Hash Nosh (note that 2 & 3 can be interchanged, or even amalgamated), however after Alky agreed to a flight of some 10-15 paces from the exposed Shelter to the back of a 4WD (THIS was the RUN!!) by the 5 assembled Easter Hashers, which at this early stage of the night equalled the number of Runners at Bennelongs chicken run. Those seeking solace from the blustery cold southerly winds then tore into Alky's chook, accompanied by a comforting coldie. Sounds crazy but that's Hash &

there ain't no apology. When only the carcasses remained, true to his word Pinballs arrived to make sure that the Hash Keg was being attended. Not long afterwards Dac Dak made her debut, but alas not to be with fellow Hashers, but in fact to attend a Deep Sea Fisho dance that every other Coffs Harbourite it would appear was also attending if the number of Taxis heading that direction was an indicator. Now back to Alky.

Never, & we mean Never, have we not had the Circle, where the Hare gets to have a Down, the Hash Shirt is mentioned, other Downs are given for lesser sins, Awards are dispensed for major and/or incidental sins, & even Alky's beloved General Business is muted, but absolutely NOTHING took place. Alky just up & left & went dancing. Goes to show what Easter eggs can do to you.....
