Collusion!!

There must be collusion between Handler & Luckless to get the numbers we do to their runs... whatever you're doing please keep up the good work.

Our Hare Handler must have a fantastic insight as to the layout of Bayldon, because after we were sent from Kingfisher Cl to Sunrise Dr to Woodswallow Cl via bush to Linden Ave to Wedgetail (where we lost the 3 walker) & Cream Puff almost strayed to The Eagles Place, an all check was located at Linden Ave. Bush again behind Barn Owl Crt & into

Kestrel Cres & then Oscar Ramsay brought us back to Linden again where we got athletic almost sprinting down De Castella Dr to Cuthbert St & lots of shiggy running parallel to Lyons Rd towards Soren Larsen Crs, more shiggy that really missed Muddy, & into Playfords length to Toormina Rd. Heading south we got Dodd Cl to Eungella St, then wished it was warmer to play at the playground behind McGregor Cl & then once again into good old Linden Ave. Passing Bryant Cl & Archibald Pl we

went into Harvie Dr & presto!, the On-Home to Handlers & some appreciated warming soup & hot doggies. A great night's run & Hash Tucker. Thanks Handler for the effort. Our returning Runner RBT brought Lismore based Hasher Sue along for company & while they contemplated shortcuts, most of the locals were lost so they stayed with the pack....
