Benalong's
Run Number 633
of 29th May 2000

..and it's a BOY!!

A new little Hasher was born to Sticky Wednesday 31st May. Jacob Gordon Thacker weighed in at 8lb 3oz, & he's healthy as is Mum. Congratulations all round!!

Our Hare decided to do a live run as it wasn't raining, & everyone knows that it always rains when Benalong sets a Run, so leaving it to the last minute backfired, as apart from a certain

chill in the air, there weren't no rain about. Benalong got us going down Antaries towards Apollo & into Perry Dr & via one of the shortest streets in Coffs, Hooson, along Bray near to Baringa Hospital. Next we went into Finch Cres & a laneway off it to the Reserve behind Kotuku St is where the rot set in i.e. no chalk within cooeecobber. About 4 different runs then took place, with the leaders Muzza & Quickie even beating Benalong Home, who was most perplexed as

to no-one finding the chalk markings some 2.8 kilometres from the last All-Check.

Benalong cooled down, the barbie heated up, & before long Benalong the Gourmet Cook was wooing us with his nicely prepared salads, fresh bread rolls & snags & real mince burgers, not the frozen cardboard type. Plenty of wood kept disappearing into the BBQ to keep us warm.

Special points of interest:

Muzza put on a great weekend at his Bello property on the river, spoiling us & the seven Port Macquarie Hashers with roast beef & lamb, followed by freshly home cooked apple pie. A roaring fire bucket kept going all night, & was used to cook the bacon & eggs & snags for breaky.

Alky, Haleys, Quickette & Quickie stayed the night as did all the Port Hashers, while Pinballs visited on Sat arvo with his 3 Daughters. Do yourself a favour & get along to the next Hash weekend event when you can, 'cause we all had a ball. Thanks heaps Muzza!
