Pinball's
Run Number 634
of 5th June 2000

Training...!!

Well not quite, but we had fun meandering the streets of Coffs, ably lead by our intrepid Hare, Pinballs. We ventured into town via the Highway, turning into Elbow &

Scarba & then the scribe after up Murdoch to the 1st All-High St. Next Check near was Lyster St to Bronco's see who the cops Mum's place, had just nabbed, somewhere in & then things Aubrey Cres. It went blank until looked like we the pack found were going to

do the loop, but luckily for Pinnies sanity had prevailed & the run set back into town via the Coffs Creek walkway. The skies were rather bleak & there weren't many torches to light the way, so a sort of soft shoe shuffle prevailed until the expanse of the Oval near the Olymic Pool was entered. The On-Home was also soon found so off we went to wet the Baby's head with Sticky.
