Why the Proxy Hare?

Well, when the RA (Religious Advisor); Appeals Master & the Hare are all one & the same, it could be construed that there may be a conflict of interests, however when Tic Tracy is all of the above, well we know that that, that that (did you notice the repetittition?) won't be a problem, because after all he is a Hash man, & we can all trust Hashers who say "trust me" can't we. So to the Run & on after the Proxy Hare we followed, hoping on this warmish total fire banned night for the occasional All-Check, only to find that the proxy Justin

brought along a very wet cloth with which to eliminate even the first All-

Tic

Old, *not* Bourbon

Check before Alky Cream Poof's fresh could get to it, so the runners just kept on going to King-

fisher Park, Watsonia Ave, Orlando St, Brodie Dr, Brodie Dr & more of Brodie Dr

before going to the Yacht Club, Jordan Esplanade, Camperdown St, past the Pier Hotel (we're just gonna have to have another Pub to Pub run again soon), & behind the Pet Porpoise Pool & then the On-Home to Tic's freshly delivered Pizza's & Cream cakes & no fire bucket.
