Quickie's Run

Number 649

More Shiggy Dad!! of 18th September 2000

**Shiggy Master
James**

This is the young-bloke who instigated; orchestrated & insisted that we run through mud first, then as much of the dying embers of a recent bushfire as we could, not so much that the ash would stick like glue to the aforesaid mud like baby poo to a nappy, but just because we can and besides, that's Hash, & having a little fun with everyone else's comfort zone is what we all expect in re-

turn, & with summer on our doorstep, expect the shiggy to get progressively deeper & wetter & longer & yuckier & messier & funnier & yep, just like Hash is meant to be, just as

Hare Quickie

it has been recorded accurately & stoically by well trained Scribes who are not afraid to wander the weird & wacky world of Hashing to get the lowdown on anyone brazen &

brave enough to suffer the rigours of Hash CH4 style & that of our neighbours wherever they may be, whether you choose to visit Interhash at Darwin next April, which from past experience will be an absolute hoot, or go to Goa in India in 2002 where the worlds stage of Hash will enthrall you, or maybe cum to Ballina in a mere four weeks time to share their Invitation Run, which will be your chance to represent CH4 at the nearest neighbouring Hash Club other than Port Macquarie thanks to Mad Dog efforts, so commit to having more fun, book with Alky now.
