**Cream Poof's Run
Number 650
of 25th September 2000**

Sharing the Spirit with Cathy Freeman!!

**Hare
Cream Poof**

Somehow even on a school holiday weekend Cream Poof got 13 Runners along, without reminding anyone that tempting goodies from the larder would as usual be proffered in the form of apple pies & creamy tarts & carrot cake & fluffy apple & cream filled

sponges, & for desert we had....a good run that started with a mind boggling On-Back up the hill that no-one wanted to acknowledge, then past the Netball courts & on-over Long St to Gundagai & Jean St & then by a combination of up & down dale & back tracks we wended our way behind Shepherds Lane into & around all of the new McArthur Park Estate where it's mandatory that one can swim for a protracted period in swirling & continuously rising waters at very short notice, or risk being carried away by one of a zillion flying foxes looking for all in creation like Tyrannosaurus Rex on wing, & then over a few creek beds to West High St heading eastwards, where the last all-check was found & the Hare vanished off the face of the earth. Nevertheless we cleverly found our way back home to rediscover our illustrious GM/Hare cooking a BBQ gourmet of snags & steak & a tangy tomato & onion sauce, which when coupled with a salad was a hit. Word of warning though...never go to the dunny when a swag of dumbbells are hanging around.....
