Muzza's Run

Number 655

Do we run if it rains? of 30th October 2000

**Hare
Muzza**

One would think that after running with Ch4 Coffs Hash for a year, AND being on the Tasmanian InterHash Committee, that our Hare Muzza would not even contemplate asking the above question the answer is YES. Yes Yes, bloody YES, the run is ALWAYS on Monday nights, irrespective

of the weather. We don't care if you've got a headache, the cat's died or even if you've just bought new shoes, the Run is On, always. Whether you choose to cum or not is up to you. The rest of us will be there having a good time & remarkably somehow keeping dry & warm & not catching pneumonia.

Muzza arranged to have his Swansong Run start from Quickie & Quickette's rather than his Bellingen home, & had us on-ing around Combine St to the very end, & then into a reserve before crossing a watercourse into Williams Rd near

the King St Tennis courts, & up to a West High St all-check. Heading east we followed the trail up Lyster St, into Hill St & back into Combine where a very large On-Home invited us to run up two awful friggin' steep hills just to have a beer at the B u c k e t & FireBucket. Muzza put on a top quality steak & salad meal, followed by an extraordinarily iced cake with rich, delicate words, c/- Sticky who we're pleased to see has not forgotten her trade, & Cream Poof who now back at work supplied the raw materials for Sticky to work upon.

Special Points:

We'll miss our Tassie mate Muzza who enjoys Hash to the limit.

We need new blood to join us so that WE can continue Hashing with good fun folk around us.

Think about who you can ask.

If we all do that, we'll double our numbers!

On-On !!!

Hash

Downs

Why?

Pinballs for playing
with our sand...

Luckless for only making the BACK
page of the Weekly, 50 years later....

Muzza for getting mentioned in two
papers...

And Muzza again for asking if the run
was to be held if it rained.....
(give us strength!!!!)

Got a mate??
Why not share them
around & bring 'em
along to Hash !!!
