Hare Sticky

..that's the story Crafty & Quickie got when they arrived promptly just after 6:00pm-ish, to find only the Hare at Home & the pack of Runners well & truly gone, so they were volunteered to help

Sticky prepare the gourmet serve of snags & salad, with naturally fresh bread & sweet goodies to follow. The Runners being Pinballs; Dac-Dak; Tommy; Cream Poof; & Benalong got back surprisingly quickly

given the complexity of the Cryptic Clues Sticky dished out because of the incessant wet weather washing the chalk away before it was laid, & had their morale boosted by the arrival of 3944 & Jimmy Kalahari. The Run took in the sights of Coffs Creek from the northside, meandered towards Tic's Shed, around the McDonalds site & back Home to Rollovers old Shop. During the Downs the Hare had an accident & spilt some beer which is very unusual for a Hasher, so we hope that Jake the Peg doesn't follow suit.
