Dac Dak's Run

Number 660

of 4th December 2000

Early Starter....

Hare Dac Dak

Fancy leaving at twenty minutes past six, when the official start time has been recorded as 6:00pm sharp for quite a few years now, so anyone who is late & misses the fun of running with the Hash Pack has only their partner to blame.....

Dac Dak for the most

part set a reasonably good run, only marred by a severe lack of chalk in parts, which serves as a reminder for you latecumers to get to the run on time! From the Memorial Shelter the run went along Orlando St & into Anderton, into Watsonia & thru King-

fisher Park Estate, & westwards along the Creek trail to emerge into Lawson Cres near the BGF & then back to the Creek trail to re-emerge near Tic's Shed. All about the Highway & the new roads adjacent to the Plaza the run went, & via the new eastern Distributor &/or jumping the rail fence & outrunning a Police suspect the Run found its way Home. Dac Dak then put on a baked bean & hot dog concoction with boiled spuds, & not to be outdone, our almost Past GM Cream Poof put on stale cakes – gee it's hard to get good help these days.....

Somehow we got through the Downs, & with the AGPU cuming up on Thurs 14th Dec 6:00pm at the Pier, there's a possibility of name calling....so be there! On-On!!!

Special Points:

Hash Warning...

Nearly half of those who suffer a stroke during sex are not with their regular partners.

The good news is that 46% of these events took place either in the lover's home, a hotel or brothel, so sounds like the back seat & any other Hash site is reasonably safe.....

On-On !!!
