

14 enthusiastic hashers braved the chilly evening to arrive at Shephards Lane full of anticipation that there would be a fire. Well it was meant to be Flaps run but seeing as he was still in Queensland sunning himself in the warmth there was no fire bucket and we were left to freeze down here. I am sure someone will mention that in the downs next week when he is back.

Needless to say all hashers set out with varying lengths of involvement. The athletes all followed Handy out the door hoping that she had not been too hard on them when she set the run.

Lifer called the circle and the Hare and Hare's helper were the first to down the lovely brew provided by Grey Rooter. Metro declared that the run was fantastic with the appropriate number of Up Hills and Down Hills, River Crossings, Dark Alleys and Bushes.

Grub was Soup followed by Shephards Lane Pie.

#### RETURNING RUNNERS –

Handy, Lifer, Forrest (nice to have you back Forrest) and Luckless.

#### LATE RUNNERS –

Hot Property.

#### CHARGES FROM THE FLOOR –

Hot Property - An extra down for her as she also had short sleeves on and apparently didn't know it was winter.

ADD to Handy, Luckless and Metro – something about Metro inviting the ladies to put their hands down his pants.

Stumbles to Handy for doing the run twice

Hairy to Rearend, Grey Rooter and Handy for using street names on the run.

Lifer to Luckless for turning 70 (as if that's not stressful enough).

#### AWARDS

Dicks and Corks to Forrest from Handy – not sure what the reason was but he better bring them back soon because Hairy will miss them otherwise.

Pink Shoe Athlete's award from JFI to Handy for showing off and doing the run twice.

#### GENERAL BUSINESS

The Invitation Run has unfortunately been cancelled. Committee to decide if we can have a local weekend away instead. Will need to assess the COVID-19 situation when the time comes closer. Bloody COVID.

LATE CHARGE (and a proper telling off I might add) to Hairy for talking in the circle.

NEXT WEEK'S RUN – Slippery at 4 Aubrey Crescent (please advise if you are intending to be there)

FRIDAY LUNCH – Coffs Pub at 12:30pm.
