

SLIPPERY & BRONCO'S PRE-MELBOURNE CUP RUN 2ND NOVEMBER 2020

THE RUN

21 runners (including the hosts) obeyed covid-19 rules and gathered on a very windy night for another monumental run set by Bronco. Before getting on trail the hashers opened their wallets and bought horses for the Melbourne Cup Sweeps - results below.

Bronco maintained there was only one hill and it was the shortest run he has ever set 4.9999km! Pharlap questioned the lack of all checks and was promptly told that the hashers today don't stop at the checks because they are frightened that they will not be able to get going again.

Nosh started with nibbles (no not you Alan) then on to fresh bread rolls, ham and salad and of course a big creamy birthday cake for Darcy with a chocolate mud cake for those who don't eat cream.

THE CIRCLE

Darcy was the birthday boy turning 69 and this was his excuse for not going out on the run again this week - congratulations on another milestone Darcy.

- **SHIT OF THE WEEK** was awarded to Bronco for the comment to the RA Slippery, that if she didn't hurry up and give it to someone she'd have to wear it herself. Well we all know how that went down don't we!
- **VISITING AND RETURNING RUNNERS** - Bigamist (nice to see him again!)
-The Quicks (returning from their new Air b'n'b) -Thor (came out of broken wrist iso for the night) - Luckless (and yes we had to wait for her to finish her down again!!!)

CHARGES FROM THE FLOOR

- **DARCY** - birthday
- **METRO** - the only one to wear a Melbourne Cup fascinator - home made of scouring pads and steel wool on a delightful blue headband!
- **PHARLAP** - now officially retired and is an old age pensioner
- **REARENDER** - street names

AWARDS

- **BRONCO** - Bunnings Bear - I think that is the award you get when you have become a major shareholder in the company - thanks to ADD & Dangles
- **PHARLAP** - salt & pepper dicks
- **FORREST** - the boobie stress ball - he doesn't mind a squeeze now and then
- **FLAPS** - big prick award - JFI wanted to keep it in the house for another week

- HANDY - new award - hearing aids from JFI - obviously she just doesn't listen to her
- QUICKIE - the cork dick award - not sure why
