

Run 1701

10 walkers fronted up to 2/2Romney Close Coffs Harbour after 6pm all excited about the run.

The run that was set was 5.45kl, the run that was run/walked was 5.30kl... go figure.

Entree to start. Party pies, sausage rolls and spring rolls, tom sauce sweet chilli sauce and soy sauce.

Food was served up... Corned silverside with 2 choices of sauce.. onion sauce or mustard sauce with boiled potatoes steamed beans and honeyed carrots, which was quickly devoured so must have been yummy.

Downs to the hare Handy, yes a great run... Thank You.

Shit of the Week to Pharlap... who else, for whining about the lack of chalk, so we know now he lost trail. 🤔

Downs to Pharlap for sending Hashers the wrong way.
Quickee to Quickette for going nowhere.

On Heat to Pharlap and Bolt Arse for putting everybody to shame. 🙏🙏

If Hashers don't want nude photos displayed on Facebook, speak to somebody that cares.

Christmas in July looks like a goer for now.

Hashers just need to pay for accommodation and rest is paid for by the Committee.

Dont forget Bike Hash is just around the corner, we need to be opposite the Park Beach Caravan Park entrance on Park beach Road near the barbeques at 7.30am for a 8.00 am sharp take off on Sunday January 24. 🚲🚲🚲

PB 🤔🤔

Our Lifer is having a knee replacement next month, Handy has volunteered to be the grog master for her... don't know how much Lifer will get through.
