

JFI Run

18 super hot hashers braved the humid conditions to attend Shephards Lane full of anticipation about the probable walk back up the hill at the end of the run.

Needless to say **all** hashers set out with varying lengths of involvement. It was nice to see that there were no bucket minders given the humidity – hats off to everyone.

RA Pharlap called the circle and the Hare and Hare's helper were the first to down the lovely brew provided by Grey Rooter.

There were several disputes re the length of the run and Flaps ended up with a down because it was declared that the run was only 3.1ks instead of the gruelling 4.5ks that Flaps swore he endured to lay the chalk and flour earlier in the day. The run was however given an 8/10

Grub was Shephards Lane Pie and there was not much left so I assume that it went down well in spite of the hot conditions. Splice icecreams were provided at the end of the night to make up for having to eat hot food.

CHARGES–

Rearenders, Anal Sunshine and Grey rooter were charged with short cutting the run.

Handy downed because at the all check there was 2 arrows but she called on on without checking for chalk. (Lucky she had chosen the correct way).

Lifer via proxy to Anal Sunshine for admitting he is a pain in the neck (didn't go into how this came about)

Cums and Goes to Pharlap for being everyone's arse

RETURNING RUNNERS –

Anal Sunshine, Cream Puff and Luckless.

NEW RUNNERS –

Carla – I can't believe that she didn't get asked to tell us about herself and who made her come (next week maybe)

AWARDS

Chook to Pharlap for being the loudest (after Darcy of course – no one is louder than Darcy).

Pharlap also scored the two penis shakers because he is everyone's arse – I think they inferred that he needs a bolster on the other side – woops)

Arrow to Cums & Goes for going the wrong way (with a name like that go figure!!!!!!)

GENERAL BUSINESS – none

PERSONAL BUSINESS -

Lifer is going very well and cant wait for more activity in her life.

NEXT WEEK'S RUN – Hairy at the usual shelter at Woolgoolga between the surf club and the caravan park. Please text her if you are attending on 0407 846 599.
