

14 dedicated, astonishing, and brave hashers decided to endure the weather to enjoy a wonderful hash hosted by Cumz n Goes.

The long run (a brief walk) consisted of only those that could withstand the rain, this was led by Anal Sunshine, so no chalk needed.

The gourmet meal (which made up for the run) was enjoyed by all, it consisted of dip and biscuits and mini spring rolls to start with, followed by Thai pumpkin soup and a French onion and chicken pasta bake. YUM!!

Slippery called the circle.
