

23 intrepid and hugely brave Coffs CH4 Hashers [and others] turned up at the BBQ Area next to the Pet Porpoise Pool [well, every local knows it as that name] for an evening of sport and socialising.

GM, Slippery Nipple opened the session after a GORMET feed

Hare... Dangles took one for the team. BUT... ADD was the true Herorine who actually set the Run and returned looking a bit worse for wear.

Visiting Runners... Animal and Dunlop...Jackass...Shady and Fair Game.

Returning Runner.. Quickie.

Charge... For Pharlap.. For letting his mess kit get nabbed after last weeks Hash

Awards... Exercise Block to Quickette. She couldn't understand why as she had been AFRICAN DANCING already.

Pair of Porcelain Dicks to Hairy [can't have her going Dickless].

Squishy Nipple to Hairy.. Always handy to have a spare !!!

Nut and Bolt Man to Pharlap. Cos he couldn't get Thunder Bolt and Bolt Arse in the right order.

General Bussiness.. Lifer reported that the Party for Tic at the Surf Club was a big success. Thanks to Thor for suggesting the Party and to Slippery and Bronco for their hard work in organising it. Especially

Slippery. Apparently some {who shall remain nameless} had such a good time that Tic, a true Hash Hero, actually drove them home. Therefore they copped a well deserved Down each.

Quickette reminded all of Quickie's 70th Birthday party on 11th April. RSVP to Quickette please.

Personal Bussiness..Luckless and Fair Game had some story and perhaps a photo of Dangles and ADD looking in Prouds Jewellers window. Fake news !!!!

Dangles and ADD are going to be Grandparents again.

ADD showed another photo of her Son, Ben, with the Americas Cup.

Handy is a GREAT Grandmother.

Our lovely Hasher Bedpan is on the other side of a hospital bed and is having some time in Coffs Hospital after a bad trot. She is getting better by the day. Our Hashers are sending best wishes and hope she is well soon..

AND... at last finally.. Darcy finishes "Work" !!!!! this coming Wednesday. Joining the list of Senior Retirees. Thor is a bit nervous about this. There is a general invite to Drinkies

with Darcy at the Coffs Pub on Wednesday arvo after 2.30pm.

Next week's Run.... At Slippery and Bronco's, [4 Aubrey Cres](#). CHBR.

Friday Lunch. Impromptu gathering BYO everything. BBQ area near Fitzgerald Street Hash shed 12.30ish.

If i've forgotten anything then i'm gonna blame the Muck in my body from the Covid Jab last Friday....

On On 🏃🏃🏃🏃🏃🏃
