

Run1716. 🐾🐾🐾🐾🐾. On Heat's Run. 🐾🐾🐾🐾🐾. 26th April 2021

Well it was a beautiful starry night, not too cold, not too hot, just right for a walk around the beautiful Ocean Parade area. 10 enthusiastic runners were ready to take on the taxing course. Directions were given, right, right, left and left and they were off, or some of them. The Hashettes set a cracking pace leaving the male contingent in their wake. Pharlap couldn't run because he's whining about his back, precious 😞 Darcy couldn't run because he was minding Pharlap. Quickette couldn't go course she was too tired and had only come because she didn't want to cook, I understand completely. Stumbles didn't go course she had walked half the course and would walk the other half on the way home. Quickie got lost on the run, apparently but came back with supplies of the liquid variety.

Nibbles were supplied followed by scrumptious pizzas, who said I can't cook 🤔 how could I compete with Thor's dinner?

Pharlap called the circle and we all had to stand!

👎 Downs

👎 On Heat - for setting such an interesting run, well my offside is away, so what can you do?

👎 Hot Property and Thunder Box - setting a blistering pace on the run, go girls

👎 Pharlap - for eating Stumbles pizza

👎 Metro and Bolt Arse, or was it Thunder Box - slamming the door so others couldn't get in

👎 Quickie - putting all his shit at Pharlap's place

👎 Darcy- doing a great job with the downs, apparently Grey Rooter gave him lessons

🏆 Awards

Pharlap had most of them taking over from Hairy!!!

🏆 On Heat - the kissing dick award, apparently this came from Reverse and Bedspringer, they took it with them to Noosa but Quickie and Quickette bought it back. I can't remember why I got it though 🙄

🏆 Quickie- for getting lost!!!

🏆 Pharlap- noisy chook, cause he's so noisy 😏 from Stumbles

🏆 Metro - 2 salt and pepper dicks, why ? ?

🏆 Hot Property - the horrible dick 🤢

🏆 Bolt Arse - can't remember which one, most probably a dick

🏆 Thunder Box - another one from Pharlap, told you he had a lot
