

Run 1725 🦶🦶 Quickie's Run 🦶🦶 28th June 2021

Hello Hashers ..

Your Hare obviously did not set enough chalk in Fitzgerald St, as the whole pack got lost mere minutes into the Run...

Wonder if the weather had anything to do with that???

Nibbles awaited these esteemed athletes, followed by very hot vegetable soup that warmed Hash hearts & souls.

The seventeen bods who braved the elements then tucked into Lasagne, Greek scrolly spinach bread, plus two salads.

The Kitchen Wizard was definitely NOT Quickie, but the absent Quickette.
