

A dozen good eggs turned up for the run on Monday night . They met at club Thunderbolt, aka , shelter across from railway station. As usual rain washed out a well marked course.

The hare and heiress hatched a cunning plan .A map was drawn and shown to the starters. One starter quipped “ I don’t walk that far in a week”.

The runners set off leaving lifer and thunder box to guard the food from hungry birds 🐦 who got wind of the cuisine. The core of the runners were soon back and waited patiently for the last 3 Amigos- bolt arse, metro and alkie. Nibbles and 🍷 drinks went down well, then Dinner was served ,heated by the 30 minute bbq - Chicken larb ,Nasi(Rice) and cheese and spinach pie. Pucka tucker.

A circle was formed after din dins. A down was given to the hare for hosting the run.

Other downs for returning runners ,On heat and Thunderbox. Dangle got a down for his driving skills at Mylestrom. Other downs could have been made , but not recalled.

Awards:- Quickie got the exercise block ,and showed a great turn of speed being first home on the run. Hairy got a pig 🐷 and was happy - no dicks to be seen.

General business: - committee meeting at coffs hotel on Nov. 29th.

Members fees are also due .

Personal business:- A down for lifer who celebrated who celebrated her 53rd. Wedding anniversary with Cinderella this week.

Congratulations and Jubilations.

Thunderbox is Recovering from recent operation but is hampered by scar tissue. He was also given bad news by his doctor - Now hitting bone on bone on the inside of his left knee. His walking days are limited.
