

On Monday night 17 happy hashers and the hare turned up for a great evening . The weather was balmy and the tide was out the run was set and the drinks were cold.

The call was made and off they strolled. It was a good walk 🚶 along the Creek Walk 🚶 to Hogbin drv then back along Harbour drv, to the drink stop then on home., only short about 4 km.

Nosh was Chicken 🐔 or fish 🐟 burgers 🍔 and chips 🍟 with lamingtons to follow.

Circle called the hare was first followed by many more downs given randomly for major and minor charges to any and every one. No awards were handed out....MIA. No PB and No GB. Everyone enjoyed 😊 the evening.

Friday lunch is at Coramba Pub or Park Beach 🏖️ bowlo, not sure where as I can't go as have to work.

Thanks to all who attended an enjoyable night 🌙 was had.

On On A.D.D the Hare.
