

Run 1757. 🦶🦶🦶🦶.

On Heat's Run.

🦶🦶🦶🦶

7th February 2022

On a beautiful evening, well it would have been if it hadn't turned cold, was raining and blowing a gale. 14 fabulous Hashers turned up at Fitzgerald Street to take on the perilous streets of East Coffs Harbour. The run was good even most of the chalk was still there 👍

Tucker was said to be good, chips, cheese, dip, no biscuits 😐, followed by ham and salad wraps, with chocolates for afters, who said I'm not a fabulous cook 🤪

Darcy called the circle

👎 SOW went to Pharlap for being precious, forgetting his mask, getting the shits and going home at Friday lunch, when they wouldn't let him in, poor baby 😭

👎 Rear Ender, Clap and On Heat for setting such a challenging run 🏃

👎 Handy for short cutting when an extra long bit was set especially for her

👎 Lifer, Flaps and Darcy for going backwards on the run and they even had to run!!! They got caught in the rain

👎 Thunder Box for wanting a time table, typical teacher wants a roster for everything

👎 Pharlap for giving Darcy the shits, he was crook all weekend 🤢

No awards, it was thought Bronco had them.
