

Run: 1764
 Date: 28/03/22
 Hare: Alky
 Venue: Vincent Street

Well after a stern reminder this am, from the GM here are the notes for Mondays Run.
 8 devoted Hashers arrived at the Barbie Box all eager to run. This also meant that with 8 hashers we again made a \$4 profit 2 weeks in a row. 💰😄.

Due to the very very very wet conditions the run took the form of a “treasure hunt” with clues set around Ocean Parade and Park Beach Plaza. Alky had also prayed to the non rain gods to hold off with the wet stuff until all runners were safely home. And yes they listened and abided by Alkys request.

The surprise from the run was Hairy arriving back as a front runner/walker. Winner of the “treasure hunt” was Hot Property with 100% correct. 🏆👣

Nosh was gourmet chicken and beef hamburgers with all the fixings. I think I heard a whisper that it was a strong candidate for Nosh of the year. 🍔😋

The GM did a great job as RA, On Sec and GM.
 Charges -
 Hairy - FRB
 Flaps - SOW for preferring to stay at the Barbie Box and reacquainting himself with Alkys neighbours and also leaving JFI at home to fend for herself. Rumour had it Flaps had left JFI with a “Darcy Nosh” of a can of bake beans Thunder Box - for questioning the adjudicator of the Treasure Hunt and was somewhat deluded in assuming that as Bolt Arse had rsvp on FB to the run this also included him.

No PB, we just didn’t want to brag about the great time we were having staying in Coffs.

Friday Lunch - “Planto” I.e. Plantation Hotel. GM advised to be there at 12.29pm

Next weeks run - Thunder Box at the Thunder Arse abode.

Below is a list of runs for CH4 Hashers that we have tried to put together from info given to us.
 You will also see what run patches are due and for who.
 On the 29/30 of April we have organised an informal weekend at North Beach to distribute what patches we have.
