👣Thunderbox 🍷

7 brave Hashers and 2 Canadian visitors fronted up on another wet night's run. Run was nice but hilly and a short cut became a long cut for 6 brave runners with one torch. We lost our way. And the rain held off.

Dinner was nibbles, party pies, sausages rolls with a misforgiving "dead horse" bottle topped with Bolt Arse Ayam (chicken) curry and rice (enough to feed an army).

Downs - one for the Hare, one for the visitors, given a temporary hash name (before dinner and after dinner). They remarked "Does it always rain when we hold Hash?"

Alky, Metro, Bolt Arse, Pharlap, ADD and Dangles - everyone had a down.

Desserts - Epicurean delights of dark chocolate slice and little coconut balls with chocolate inside. Magnifique!

Awards - Zilch (Where's Kevin Bacon!) maybe pigs can fly.

Personal business - Nil

General Business - Lots from our orator GM/RA/OBE Pharlap.
