

Run: 1769
Date: 02/05/2022
Hare: Bolt Arse
Venue: Edinburgh St

14 athletic hashers braved the gentle uphill at the start of the run. Some took an easier way after the first check. But Alky and Bronco took up the challenge and barged on to the Marine Rescue and enjoyed the beautiful harbour view.

Thereafter, it would be downhill to Short St, an easy glide home even with the lightly marked arrows highlighted by Bronco. He offers to get the Hare some chalks for her next run.

Snacks were served with Chips, dips and veggie spring rolls.
Nosh - beef rendang curry (yummy for some and a little spicy for some) and chickpea salad.

Darcy called the circle.
Down:
Hare - for setting the hilly run and lightly marked arrows. Good tucker.
Thunderbox - for missing at the start of the circle, busy cleaning upstairs.
Bronco - dont know what it is for.
Returned Runners - can't recall as the Hare cum Hash Flash was busy clicking away.
Run Badge recipients got a down.

Awards:
Golden Double Dicks goes to Anal Sunshine for asking about a golden thong award
Bronco has been hiding "Kevin Bacon" all these while. ADD got the piggy.
Can't remember the rest of the awards "Who got What?"

No SOW, GB and PB.

After circle news: ADD and Dangles are going to be Great Grandparents in October. Congratulations 🥰
