**Run: 1773**  
**Date: 30-05-22**  
**Hare: 34<sup>th</sup> Birthday Run**  
**Venue: Coffs Hotel**

The back area of the Coffs was sectioned off for the 26 Hashers and Visitors who arrived at 6pm for our 34<sup>th</sup> Birthday run.

Apologies from Grey Rooter as he has the Man Flu...our deepest sympathy from all the blokes at Hash...we know how bad it can be. 🙄

Everybody received a tenner and headed to the bar and bistro or both. 💰 🍷  
Great food and plenty of it...Lambs Fry and bacon was popular amongst other scrumptious dishes. I was sitting beside Handy and she was devouring a steak that was still mooing. 🐮

Quickie welcomed and introduced our newest member, Monique....she will get her virgin down-down next week.

A few hashers really got into the party mood and wore their best party gear. Bronco was very proud of his party shirt and JFI and Handy looked resplendent in their Hash Tails. Balloons started appearing and were hit from table to table to see how much gravy they could collect. 🍷 🍷 🍷 🍷

Centerfold is still trying to get rid of his award so he wore it on his head all night....maybe next week Centerfold 😊

CH4 started on this date, 30/05 in 1988 with the first run being from the foreshores and then on-on to the Pier where most of the hashers stayed all night and drank....thus CH4 was born.

There were 19 inaugural hashers from that night and they were.....
