Run: 1774
Date: 6/06/22
Hare: Darcy
Venue: Aubrey Cres.

21 hashers (including 3 visitors) checked in for run 1774 at the abode of Darcy and Thor.

After those who were tackling the run set by Darcy were on their way Darcy lit the nice fire pit which was greatly appreciated by those who stayed behind to mind Millie

the dog.

Great tucker including Chicken and veg soup, sausage rolls followed by Beef Casserole. Never disappointed by Darcy's sausage rolls and Thor always manages to provide an excellent feed.

Millie spent most of the night going from one to the other with her nose to the ground so there must have been some great smells there and of course no-one fed her from

their plate 🙌

RA called the circle and 🧑

DOWNS were partaken by the Cook and the Hare.
