14 Hashers including 2 visitors braved the cold at Handys @ 2/2 Romney Close. A little more than 4 km, a couple of hills, an on back with a couple of HA HAs, all survived to return to a toasty fire.

Food was served up, bickies and dip followed by pea and ham soup and crusty bread, then on to chicken casserole served with mashed spuds and beans... Yummy.

The circle was called.

Shit of The Week was Handy of course for being a shit.
Downs Handy for setting run and serving delicious tucker.
Flaps Pharlap and Grey Rooter for using street names.
