**Run: 1778**  
**Date: 4-7-22**  
**Hare: Flaps Up**  
**Venue: Shepards Lane**

Eighteen runners (it would have been nineteen if Phar Lap wasn't suffering from Man Flu) turned up at Shepards Lane to savour the catering and talk shit around the fire bucket. Some also went for a walk/run. Quite a few took the easy way out and followed the SCB arrow about halfway through the run while six hardy souls completed the whole course – about 4.5km. Upon their return, the surprise was that the fire bucket had been lit and was blazing away without any help from Bronco. Catering consisted of nibbles, soup, and curried sausages.

After subtle hints from Thor and waiting for the trainee porn stars in the corner to stop “fluffing” the stand in RA (Darcy) eventually called the circle.

DOWNNS

Hare

Despite Centrefold officially classing the run as “rubbish,” your scribe disagreed and had already written “excellent” in the rough notes.

Flaps – Wearing the Hare jacket inside out.

Rear Ender – tried to charge various runners for not following her directions. Charge was reversed as she was deemed to be too showy wearing flashing anklets.

Returning Runners 🏃 🏃

Lifer, Rear Ender, Grey Rooter, Cumz n Goes, Anal Sunshine, Centrefold.

Darcy, Rear Ender – having delicate mouths and complaining about the mild curry.

JFI (the tucker fucker) – trying to kill Darcy and Rear Ender by serving mild curry.

AWARDS

Dick Head – from Centrefold to Metro

Shortcutter – from Darcy to Centrefold.

PB

On Heat, Grey Rooter and Rear Ender are dog sitting. Apparently, they can't be trusted with their grandchildren.

BO Hash at Darcy's this Wednesday (6<sup>th</sup> July).

The following announcements were made on behalf of our GM:

Parking – at Slippery and Bronco's – 4 Aubrey Crescent. Drive down the driveway to the left of their house as you look at it from the street.

The run sheet still has holes in it. Please go to the website and fill in some of the blank spaces.

The Next two Mondays after ADD's run are vacant and need to be filled.

The position of Hash Cash still hasn't been filled. Expressions of interest to Phar Lap if you can help out for the rest of the year. 🙏
