Run: 1783
Date: 8/08/22
Hare: Quickette
Venue: Mildura St

Thirteen born again Athletes found their way to the back-entrance...

A few drinks were enjoyed before the Run, just in case..

A lack of chalk was keenly commented upon, but luckily those winging eventually found their glasses.....
And another Beer...

There were munchies of salsa & cheesy things, followed by Potato n Leak Soup. Then we had good ol" Lasagne with curly Greek type bread, followed by Aldi Tim Tam lookalike bickies which were washed down with Port.

Shit of the Week went to Centrefold (what else could he expect after giving the Proxy Hare a minus two n a half Run score out of ten!!)

METRO then proceeded to hand out more Awards than Bronco ever hoarded in quick fire order, so watch n listen carefully next week to see who next scores them... Monique was called to the circle by the RA, to accept and down for her new hash handle.....Monique will now be called "Happy Endings" for ever and ever on-on. Something to do with what happens after a massage. 🙌
