Run: 1778
Date: 13-9-22
Hare: Dangles
Venue: Fitzgerald St shelter

9 true and committed legendary CH4 Hashers gathered at the Fitzgerald Street Hash Shelter in excited anticipation of a great Run set by Hare Dangles and ADD. The runners were set the task of finding a "Mystery Red Item" and reporting it on return to the Circle. As usual there was a hard core, 4 thereof, security team who guarded

the nosh and bucket. 5 genuine runners !!!!! set off. In a relatively short time [so it seemed] Flaps returned - SHORTCUTTER-.

The remaining 4 heroic runners returned completing the full run, AND correctly reported the mystery item. A Red Lounge Chair near the York Street Oval.

It was reported that the run was well marked, through bush tracks, over creeks, across parks and footy fields. AND didn't get lost.

Very yummy nosh prepared by very experienced master cook ADD was served and devoured. Cup cakes for dessert.
