Run: 1798

Date: 21-11-22

Hare: Flaps Up

Venue: Shepards Lane

Run number 1798 held at the abode of Flaps Up and (the absent) JFI.

Despite dire warnings the previous week about the reduced standard of catering due to JFI's absence, 22 runners/walkers arrived ready to tackle the hills of west Coffs Harbour. Included in this number was a visit from Handler (escaping the Wagga Wagga floods) and two new runners, Cherry Arse and Belle Bottom who have moved to Coffs Harbour from the Philippines. The pack was sent on its way via roads, dam walls and bush tracks (4.3km in total for the fast walkers). Along the way they happened upon a drink stop of port, liquorice all-sorts and chocolate bullets. This fractured the pack so much that only 4 completed the entire course.

Flaps tried his best with the catering, providing chips, dips and "little boys" as entrée followed by BBQ chicken rissoles, sausages and salad and to top it all off, a cheesecake desert for ADD's birthday.
