

CH4 Hash Trash

Run No: 1802

Date: 19-12-22

Hare: Christmas Bash

Venue: Beryl st.

What a night we had. 🦶🦶🦶 A run was set but cancelled due to the high winds 🌪️. This was decided because we didn't want any one blown off course and lost.

👴 Santa was cumming to visit all the naughty Hashers later that evening. You might say he might've gotten blown off course with the wind but he came early and held up in a secret spot. Well 24 happy hashers attended and were REALLY disappointed when the run was called off so they just had a fun time eating and 🍷🍷🍷 drinking and generally enjoying each others company. Pre dinner nibbles INCLUDING Darcys' famous sausage rolls and the usual dips, cheese , bikkies etc.. Main course was chicken, ham and assorted salads enjoyed by all.

👴🎄 SANTA arrived with his Elf helper and gifts were distributed 🎁. (check the photos taken by hash flash Bolt Arse all 70 +). It was a great night and Santa told me he was really impressed with the thought that went into each gift.

Thanks go to the committee for the effort put into a great night and ENORMOUS thanks go to BJ for allowing 24 loud but happy people to gather at her home. 🏠

Friday lunch is where and when you want to eat .

Next weeks' run is at Thor and Darcys' in Aubrey Cres at the bottom of the hill.

On On till then 🏃🏃🏃👉👉🦶🦶🦶🦶
