

Run: 1805

Date: 9/1/2022

Hare: Bolt Arse

Venue: Bolt Arse' Shed @ Jordan Esplanade

19 Runners and a Virgin Hasher Karen (invited by Thunderbox) turned up on this beautiful sunny day.

The trail was well marked with white chalk except the On Back. It was scuffed off by some ignorant passers-by. Hence, it was awarded a 5/10 rating, considered a shit run. It would be a minus 5 if Centrefold is around.

Light snacks, yummy roast chooks with greens and potato salad, Port and chocolate were served.

THE DOWNS

SOW - Quickette for not wearing Hash gear and later went for a swim instead of running, oops walking.

Virgin and Returning Runners - Beef Beiber, Hot Property, Anal Sunshine, Metro and the Virgin Hasher Kaz.

CHARGES:

Metro - Gurmish Singh gave an interview some weeks ago and "Club Metro" appeared in the background on TV. Wonder who's the culprit?

Metro again for wearing his shirt inside out. A lady told him at the launderette.

Sailing from Sydney to Hobart Yacht Mayfair instead of Hobart to Sydney. A trifecta for downs

Quickee - went for a swim instead of running. Have to accompany Quickette 🤪

Rear Render and On Heat for short cutting

Slippery was down for someone calling out her name, Slippery Nipple.

AWARDS:

ADD - Exercising block

Anal Sunshine - short cutter

Pharlap - Meaningful relationship glass....(Stolen)

Can't remember all the awards or downs as the Hare/Hash Flash was busy clicking, clicking, clicking..... away
