11 Hashers turned up for Pharlap's flat run..Eight hashers started out on the 4K run around the Creek..Dangles and Quickie stayed to help Pharlap with the cooking. Quickie was exhausted from his Darwin Don Memorial at Port Macquarie over the weekend....ADD, Luckless, Hairy and Thor returned to the shelter looking exhausted and only did half the run...The rest of the athletes Handy, Metro, Darcy, and Simon returned after doing the whole 4K....👣
Pharlap cooked up a storm.....Sausages, onion and bacon for the hungry lot. Darcy and Thor bought a whole lot of party pies and potato salad for dinner and meringue for desert.....thanks guys..

Darcy eventually called the circle....

Then Pharlap downed for a perfectly set run which some low mulligan only gave a 4 out of 10...😡

Quickie downed for not running..🏃

AWARDS

Hairy received her bag of awards backshe lost them last week

Friday lunch is at the Park Beach Bolo at 12:29pm

We urgently need someone to put their name down for 3/4/23....check upcoming runs on website and tell Pharlap.
