

Run: 1823
Date: 15-5-23
Hare: On Heat
Venue: Pacific towers

On a beautiful cold and rainy night 13 Hashers turned up for a strenuous 4K run. It had been well marked but alas the heavens opened and the chalk was washed away 🥺 thanks to Hot Property for being the live hare

Some true athletes went for the run/ walk, while the others stayed dry and warm in the cabana. While I was away preparing the scrumptious repast, two tough souls 🤔 went for a swim.

After cheese, chips, dip etc, pizzas were served, who said I couldn't cook, as I say it's not what you know, it's who you know, thanks Domino's 😄 Centrefold called the circle AND we were allowed to sit. The run was given a 9 and I'm sticking to that, none of this minus business

Downs 👎

. On Heat for setting such a great run 🤔

Pharlap the SOW , can't remember why but I'm sure he deserved it

returning runners - Flaps, JFI, Hot Property, Beaver Eater, Clout

Hot Property another one, 🤔 this is what you get when you don't write anything down

Simon, BJ, Centrefold, all received downs

ADD for not chewing up the fish so poor Dangles wouldn't get a fish bone.

It was reversed to Rear Ender because they were out when it happened

Awards

Centrefold the arrow award.

Simon the evening bling bag

I think they were the only ones, where are all the awards people, surely Hairy and Bronco can't have them all!?

Personal Business 

Dangles is still in hospital, now come on Dangles, surely ADD's cooking isn't that bad that you prefer hospital food? 🤢

General Business 

Only 2 places left for the Christmas in July trip, have to be regular fully paid up members, it's on the 22nd July

Friday lunch is at Thai Inthanon on highway 12:30

Next weeks run at JFI and Flaps home in 174 Shepherds Drive.
Check the Run Sheet below and tell Pharlap when you can set a run...
(two a year covers all runs)

Have a good week everyone, stay safe
