

Run: 1838
Date: 28-8-23
Hare: Metro
Venue: Foreshores

12 Hardy Hashers turned up for Metro's run. Instructions were given by the hare and a promised drink stop encouraged Hashers to on on in the direction indicated. Over the railway line and up the hill we went, by this time Hairy and others had disappeared so Centerfold, Pharlap, Handy, Boltarse and Simon (he needs a name) continued on through some back lanes and past the pub back over the railway line to the drink stop at the light at the Jetty. White wine and green ginger was served and then back to the start of the run.

Dangles and Hairy were busy at the BBQ assisting the Hare. Gourmet Sausages and baby peas and sliced wedges (was supposed to be mashed potato but the hare ran out of gas) were served followed by chilled Tim Tams.

Circle was called:

Pharlap....SHIT OF THE WEEK....just because.

Hare was given a -15 by our illustrious RA because of the lack of arrows and the shortness of the run. +5 was given for the drink stop and +3 for the grub because our RA was not catered for, giving a total of -7...very good marks considering. 🤔

Hairy downed as returning runner.

Simon for wearing hat in circle.

Metro for lack of control and spitting the dummy while trying to write the notes.

Our Homeless old Mate payed a brief visit to the circle.

Thunderbox and Hairy downed for playing with their tits.

Pharlap won the Chockys after four draws in the Raffle.

Awards:

Metro: the dickhead award because he likes it and it keeps his head warm (he didn't say which head)

Dangles: Exercise Block...for not running.

Hairy: Drama Award....for being a drama Queen.

Joker hat: Simon gave it back to himself (it keeps his head warm too)

Next weeks run: Boltarse.. same place, Club Thunderbolt.

Friday Lunch: Mr Dengs in Moonee St.
