

Run: 1852
Date: 4-12-23
Hare: Thunderbox
Venue: Club Thunder

21 jovial runners turned up at Club Thunder for Thunderboxes Run. The scenic run was intended to go to the Southern breakwall with a return side trip past Gallows Beach to check the waves and then on On Home down jetty beach.

At the start of the race, Pharlap decided to jump on a dinky to get an edge on the trail. Back at the base, the barbeque wasn't working. Luckily, the gourmet chefs had brought pre-heated food. The runners returned to nibbles followed by BBQ chicken, cheese and spinach pie, zucchini frittata, garden and spud salad. Bon

appetit!

Circle was called by the RA.

SOW - Anal Sunshine was not able to get the run number right _first day in new job???. This was quickly transferred to ADD for challenging the RA. Phuck nose why?

The Hare was given a down and a score of minus 200 hundred thousand. R.A. did comment the food was superb. Thunderbox pleaded insanity as his defense.

Returnees - Hairy, Centrefold and Mim. They were joined soon by Pharlap who counted two instead of three returnees. Someone needs to go back to summer school.

Darcy welcome the new Committee and also thanked the old committee .

Charges:

Thor charged two runners who went into the bushes and they weren't picking blackberries. Charge reversed on Thor.

Centrefold was charged for not walking on home along the beach. He didn't want sand to get into his shoes.

There maybe other charges but can't recall! Thunderbox had too

many Tio Pepe sherry.

Next week's Run at Nambucca Heads, Ingenia, White Albatross Caravan Park. FOK me!

Cut down version of FOK's Instructions.....

If you are not staying over night in the Caravan Park. Park in the car Park (I have about 8 Chairs, so if you can bring a camping chair please do).

Once parked, walk into the Caravan Park towards the Caravan Park Office, and turn left between the V-wall cafe and the Office, heading toward the swimming pool (if a hot day get here early and have a swim), turn right at the swimming pool and walk along the road slightly down hill. The Amenities will be on your right behind a high brown slattered fence. At the Amenities you should see my home on the left - the only 2 storey place on this road. Continue down the road and turn into my place (if early I may be up stairs or setting up at the back) just call out.

You can leave your belongings here as I will probably start the run from here. The run will end at the Camp Kitchen about 200m from my place. After dinner I am suggesting we relocate back to my place for the circle and drinks especially those staying over night.

Those who have booked or intending to book an over night stay come in the gate and go to the office (park car facing the pool - go into the office and get your over night site location.

I have spoken to the management and arranged that those staying over night to be placed within 30/40m of my place. So get here earlyish say before 4.00pm (check in is 12.00pm) as the caravan park's utes sometime park in these areas - and the office girls said they will just have find other places park.

So if you are intending to stay over night, when booking tell the girls that you're part of Simon's Mob for the Hash Do. and they will place you near my place.

That is it not difficult at all.
